SIMON & SCHUSTER, United States, 2000. Paperback. Condition: New. Language: English. Brand new Book. What makes the world's top companies so adept at providing stellar customer service? How do they meet the needs of every customer and still turn healthy profits? And, most important, how can you adapt their practices to fit your business? Thanks to over six years of ongoing research and an investment of \$30 million, Arthur Andersen has created its Global Best Practices Database to uncover breakthrough thinking at world-class companies. Now, in *Best Practices*, Arthur Andersen for the first time shares its understanding of how more than forty best-practices companies focus on their customers, create growth, reduce cost, and increase profits. The owner of a small coffee shop chain might learn from American Express and Peapod how to target customers by offering particular products and predicting exactly when they will make their next purchases. These and other examples will help business...
