The Pros and Cons of the Human Hug: Stop That Dangerous Hug Before It Ruins Your Health and or Your Feelings. (Paperback)

By S Elia

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Hugging is the latest fad trend of recent years and like many other fad craze of previous years, will fade away in the future and be replaced with another fad. However the hugging fad has real health risks which many people do not realize yet. For many years I observed people embracing and hugging in many public and social gatherings with most of huggers enjoying the embracing and hugging. But many times I observed that many huggers were neither happy or enthusiastic with having someone else invade their personal space. That is the reason why I decided to write this book. To point out the good benefits of the human hug but also the huge health risks that people undertake every time they allow somebody else to invade their personal space. The health dangers of that simple hug, no matter how brief or long the hug is, can be mild to a simple offensive and unpleasant smell of somebody's odor to life long injuries or life threatening infections like the flu, tuberculosis, Ebola and other contagious infections. I also point out that people have a choice whether to allow...
